## Guidelines for Oral & Poster Presentations including awards

### Oral Presentations

1. Time allotted to each speaker is 10 minutes: Presentation time 8 minutes followed by 2 minutes of interaction
2. The presenters are advised to organize their presentation in the following way: Title, background and rationale, methods, results, discussion, conclusion, acknowledgement & conflict of interest.
3. PowerPoint presentation should be in landscape orientation (16:9)
4. All the authors are requested to verify their presentation for compatibility atleast 2 hours before the event

### Poster Presentations

1. The name of the presenting author and affiliations of all authors to be highlighted in the presentation
2. The presenters are advised to organize their presentation in the following way: Title, background and rationale, methods, results, conclusion, acknowledgement & conflict of interest.
3. The size of the poster should be 3X4 feet (width X length)
4. You are expected to mount your poster atleast 1 hr before your assigned session as per the allotted schedule and presenter should be available throughout the poster session
5. When the session is over, you may remove your poster after 5 pm

### Awards

Judgement will be made on the following points for both oral and poster awards:

1. Clear Objectives
2. Approach to the problem
3. Findings in relation to aims & objectives
4. Conclusion
5. Clarity of presentation
6. Ability to answer the questions
7. Time management
